

WHERE TO FIND IT

The complete list of the authorized Dairies can be found on the website
www.mozzarelladop.it

Consorzio di Tutela - Reggia di Caserta - Regie Cavallerizze - Via Gasparri 1 - 81100 Caserta - Italia

HOW TO KNOW IT

Only if it's in original packaging bearing the complete denomination name and the Consorzio di Tutela and DOP trademark labels.

By its porcelain white color and its smooth, unblemished surface.
When cut into, a white serum with a perfume of fermented milk seeps out.

HOW TO ENJOY IT

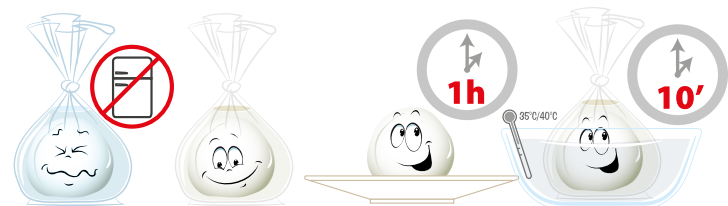

It is preferable to eat it on the same day it's bought but, otherwise, leave in a cool environment in the accompanying liquid.

Always eat it at room temperature, so that all the flavors are released.

There are numerous ways of appreciating its qualities: enjoyed in its natural state, in combination or added to cooking.

HOW TO KEEP IT

EATEN IMMEDIATELY
Don't put it in the fridge

and leave immersed in its accompanying liquid in a cool environment.

NOT EATEN IMMEDIATELY
Put it in the fridge

immersed in its accompanying liquid. Before eating, leave it at room temperature for at least an hour or immerse the sealed package in warm water (35°C / 40°C) for around 10 minutes.
